

MEET THE...

teacher!

"Start children off on the way they should go..."

- Proverbs 22:6.

The Bible often uses the metaphor of a seed to represent spiritual growth. Although it is ultimately God that "causes the increase" (1 Cor. 3:6), I believe it is our responsibility to ensure that conditions are right for growing. My goal is to create a safe space where students can build up their Biblical knowledge and discernment, thus preparing them to face real world problems.

Miss Chadwick

My goal is that students will not only meet the expectations of their grade but will be challenged to excel in core subjects such as math skills and writing. Reading is also a BIG deal in my classroom. Students' reading progress will be carefully tracked throughout the year, and emphasis will be placed on comprehension, fluency, and expression.

Honest and constructive parent-teacher communication is important to me. Throughout the year I will be sending out a weekly newsletter with homework assignments, updates on what we're learning, class news, and more.

About Me

- I am above all a child of God, and have been saved by the blood of Jesus Christ.
- I love fishing, hiking, kayaking, cooking, and gardening.
- I am a 2nd generation teacher.
- I graduated from UW Superior, and transferred from Maranatha Baptist Bible College. I have a degree in Elementary Education and minored in Special Ed.
